

Refund Policy

Acme Widgets Co. | Effective Date: January 1, 2026

1. Overview

This Refund Policy outlines the terms under which Acme Widgets Co. ("we", "us", "our") provides refunds, returns, and exchanges for products purchased through our online store or authorized retail partners. This is a sample/dummy document created for testing purposes.

2. Eligibility for Refunds

Customers may request a refund within 30 days of the original purchase date, provided the following conditions are met:

- The item is unused and in its original packaging.
- Proof of purchase (receipt or order confirmation) is provided.
- The item is not listed under the Non-Refundable Items section below.

3. Non-Refundable Items

The following items are not eligible for a refund:

- Gift cards
- Downloadable software products
- Items marked as "Final Sale"
- Products damaged due to misuse

4. Refund Process

Once your return is received and inspected, we will notify you of the approval or rejection of your refund. If approved, your refund will be processed within 5-7 business days and automatically applied to your original method of payment.

5. Late or Missing Refunds

If you haven't received a refund within 10 business days of approval, first check your bank account again. Then contact your credit card company, as it may take some time before your refund is officially posted. If you've done this and still have not received your refund, please contact our support team.

6. Exchanges

We only replace items if they are defective or damaged. If you need to exchange an item for the same product, contact our support team with your order number and details of the issue.

7. Shipping Costs

Customers are responsible for return shipping costs unless the item was received defective or incorrect. Original shipping charges are non-refundable.

8. Contact Us

For any questions related to refunds, please reach out to us at support@acmewidgets-example.com or call 1-800-555-0199, Monday through Friday, 9 AM - 5 PM.

Note: This is a dummy/sample document generated for testing purposes and does not reflect an actual company policy.
